Mr. Kim Franceschini  
Avenue De La Fontain,  
Austin, TX 78732

Dear Kim,

I hope all is well.

I have attached a copy of the latest instrument patent submission and a form for you to sign and address indicating that you are one of the original inventors of the Chemical Dispensing System and Method that is described in the specification of filing date 01/31/2002 (which I have also enclosed.) Furthermore you will by your signature acknowledge review (of the specification.)

If this all appears to accurately reflect the invention, please sign where indicated and return to me using the enclosed pre-addressed AirBorne envelope. In the event, you can contact AirBorne and have them pick up the envelope at your home or, if you prefer, contact us so that we can make that arrangement when you are ready to return the material to us.

If you have any questions, do not hesitate to contact me.

Best regards,
